Callaway County Route FF in Kingdom City to close next week at railroad bridge

Closure anticipated to last 30 days

JEFFERSON CITY, Mo. – A short segment of Callaway County Route FF (Old U.S. Route 40) in Kingdom City is expected to close next week for the removal of a railroad bridge.

Beginning Tuesday morning, Oct. 14, construction crews working with the Missouri Department of Transportation plan to close Old U.S. Route 40 under the railroad bridge. The closure is anticipated to last 30 days. No detour will be signed, but signs located well ahead of the closure will alert motorists to use an alternate route.

All work is weather-permitting and schedules are subject to change.

MoDOT asks all motorists to work with us by buckling up, putting your phone down, obeying all traffic signs, and slowing down and moving over in work zones.

This work is part of the first project in MoDOT's Statewide Improve I-70 Program, Improve I-70: Columbia to Kingdom City, which will add a third lane of travel in each direction to the 20-mile stretch of I-70 between Columbia) and Kingdom City. This $405 million fixed-cost contract includes new pavement on all three lanes of I-70 and will also make interchange improvements to the I-70 interchanges at U.S. Route 63 and U.S. Route 54.

Missouri's FY2024 budget, approved through the state legislative process and governor provides, $2.8 billion in General Revenue to build a third lane of I-70 across the state. The program will plan, design, construct, reconstruct, rehabilitate, and add a third lane in each direction on nearly 200 miles of I-70, from Blue Springs to Wentzville. For more information on the Improve I-70 Program and to sign up for program e-mails, visit http://www.modot.org/improvei70.
